

The Latest in the Scout® Line of Portable Balances – The Ohaus Scout Pro!

Designed for use in laboratory, industrial or education applications, the Ohaus Scout *Pro* continues the tradition set by the Ohaus Scout and Scout II products. Featuring easy-to-use two-button operation, a high-contrast LCD display, multiple weighing units, four application modes, and the option of either RS232 or USB connectivity, the Scout *Pro* is the portable balance for your needs!

- **Multiple Weighing Units** – Including grams, kilograms, pounds, ounces, tals, a combined pound:ounce display, troy ounces and pennyweights
- **Multiple Application Modes** – Including enhanced parts counting, percentage weighing, totalization, and display hold
- **Easy to Use** – The high-contrast LCD display combined with two key operation makes the Scout *Pro* a snap to operate
- **USB or RS232 Connectivity** – Quickly-installed option with integral cable allows data connection to PC or printer
- **Easy to Clean** – Removable stainless steel weighing platform, sealed front panel and molded spill ring help keep the Scout *Pro* safe from spills
- **Battery or AC Power** – Uses 4 "AA" batteries with auto shut-off feature for 40 hours of operation, or the Scout *Pro* can be run on the included AC powerpack
- **Integral Weigh-Below Hook** – Critical for density or specific gravity determination
