

IDS833 Accurate Electronic Balance

■ CHARACTERISTIC

- ◆ LCD with backlight
- ◆ Response time in 2 seconds
- ◆ Support AC-DC
- ◆ Selectable weighing units and count mode
- ◆ 2 Unit available: g, ct.
- ◆ Fit with RS232 Line

IDS833 Accurate Electronic Balance

IDS833 series are excellent products which are made by higher level technology of 0.01 g accuracy, has feature of standard wind shield which is not use in same level product, response quickly, high sensitivity and temperature display [option] Stability.

■ SPECIFICATIONS

Type	IDS833-1000	IDS833-2000	IDS833-3000	IDS833-4000	IDS833-10000
Metage Range [g]	1000	2000	3000	4000	10000
Reading Precision [g]	0.01				0.1
Repeatability [g]	±0.01	±0.02			±0.1
Linearity [g]	±0.02				±0.2
Ambient temperature [C]	5-35				
Scale Pan [mm]	φ138		145x160		188x160
Shepe Size [LxWxH][mm]	280x190x280		280x190x280,280x190x75		280x190x75
Warm-up time [m]	10-20
